USDA initial login has to be redone. Roger left a message w/ USDA.

INS DNR tree grants

- City personnel will need to be trained to properly address tree removal/replacement
- City personnel would then be responsible to train citizens
- Eligible residents will need to show proof of income requirements to receive grant assistance
- Roger to get income eligibility requirement info

Animal ordinance 210

- County law enforcement won't enforce city/county ordinances – only state statutes
- Barking/noisy animals would fall under the noise ordinance
- Other animal issues would fall under ordinance 210
- Discussion centered around administration fees, enforcement, and documentation of violations
- 1<sup>st</sup> offense – warning; subsequent violations would be \$100/ violation

- This led to creating a General Administration Fee Schedule for all ordinance violations unless otherwise noted in the ordinances

Motion to accept General Admin Fee Schedule: Josh Zeller

Roger suggested the automatic siren running time should be cut down to 1minute 25 seconds

- ANCOM has to adjust it as county dispatch doesn't control siren run time
- Roger to call ANCOM to see what they can do
